

**Resolve by RPM Software Presents:**

## **INNspiration House**

- A whimsical, model house which will travel through Calgary and surrounding areas, beginning on Tuesday, September 27.
- Made out of heavy-duty foam and stands just eight feet tall, four feet wide, and eight feet long. The vision for this initiative was created and generously donated by Roger Balm, Chairman & CEO of Resolve by RPM Software.
- Represents a vision of hope for homeless families in our community and is meant to INNspire people to get involved in the movement to end family homelessness!
- Each recipient of INNspiration House is encouraged to make a donation to Inn from the Cold, and can then suggest a future address for the house to be moved onto. We'll be tracking its path through social media, inviting the public to get involved.

Will you be one of the few lucky Calgarians to host INNspiration House?
