

Spring-Summer Wish List: 2011

Many of our guests come to us with nothing. We try to provide them with basic essentials, such as hygiene products that they will need each day. You can help!

OUR VISION: A COMMUNITY WHERE NO FAMILY IS HOMELESS

We are **not** able to accept **used items of any kind** at our Emergency Family Shelter, due to health restrictions. We strongly recommend that these items be donated to other agencies such as Women In Need, Neighbor Link, etc. Our families are directed to these organizations during the housing process through their Family Support worker.
